

Shockingly beautiful. Keeping it cool.

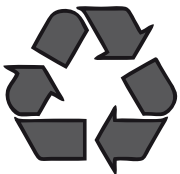

Made out of our strong Organic Fiber material, with its stylish layered texture.

Its perfect grip allows for quick access to your phone and for easy gaming and typing. Remarkable to the touch.

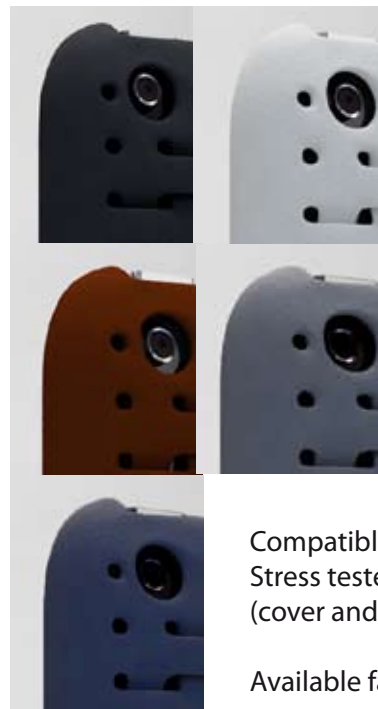

The model is woven and open, enabling an airflow that cools your phone.

The design features 3D "Box spring" shock breakers that bounce your phone back when you drop it.

Eco friendly: recyclable organic material and 100% cardboard packaging.
